

VALAY CONTROLS

CPRI Approved Electrical Control Panel Manufacturing

An ISO 9001:2015 Certified Company

Dear Kunal Borole,

We are delighted to welcome you to Valay Controls as a **MERN Stack Developer**. This role offers you an excellent opportunity to enhance your skills and gain hands-on experience in full-stack development.

Your position will encompass orientation and focus on learning new skills, deepening your understanding of concepts, and applying your knowledge in practical scenarios. Our team is confident that you will fulfil your responsibilities diligently, following all lawful and reasonable directions provided to you.

We look forward to a rewarding and fruitful association that will prepare you for future projects. We wish you an enjoyable and meaningful experience in your new role.

Joining Details:

Position: MERN Stack Developer

Duration: 4 months

Start Date: 21 May 2024

End Date: 21 August 2024
